- ➔ **Apply for the FAFSA** at the official website www.fafsa.gov. Never pay to apply!
- ➔ The 2022/23 FAFSA will be **available on October 1, 2021**. Tax information from 2020 will be used.
- ➔ By completing the FAFSA, you are considered for the federal **Pell Grant**, student loans, **Work Study** as well as the state-based **TOPS program**.
- ➔ The FAFSA **takes approximately 20-30 minutes** to complete if the student and parent have all of the required information at hand.

- ➔ You can begin your FAFSA, save it and return to it with your Save Key, **within 45 days**.
- ➔ The student's **dependency status** determines if the student will file the FAFSA as a dependent or independent student. Read and answer all questions carefully. Supporting legal documents may be requested.
- ➔ The FAFSA should only be completed by the student and/or their legal parent(s). **If parents are divorced** or if there is any unusual situation, review the link to the definition of "parent" in this section on the FAFSA. It does not matter who claimed the student on their taxes.
- ➔ FSA recommends using the **IRS Data Retrieval Tool** to electronically transfer tax information into the FAFSA if possible.
- ➔ For quicker processing, electronically **sign the FAFSA with your FSA ID** instead of mailing a paper copy.
- ➔ Be sure to **"View FAFSA Summary"** before clicking "Submit my FAFSA". This is a final check for any errors before submitting.
- ➔ Print out and retain your FAFSA submission **Confirmation Page**. Do not delete the email notification from Federal Student Aid.
- ➔ **Verification** - *If you are selected for Verification, read all instructions carefully and provide all additional information requested to your college. Your Student Aid Report (SAR) will indicate whether or not your file has been randomly selected for verification. The SAR is typically accessed through a link sent to you by the U.S. Department of Education after you file your FAFSA. If you are selected for verification, there will be an asterisk (*) next to your Expected Family Contribution (EFC) figure on your SAR. You will be notified by your college financial aid office if your application has been selected for verification. Once your documents are verified, your application continues to be processed, otherwise it remains in a "hold" status. For more information visit tinyurl.com/verification2021.*

SIX REASONS WHY FILLING OUT THE FAFSA IS A REALLY GOOD IDEA:

- 1** It's how the government and colleges decide your financial need and award institutional aid in some cases for all income levels.
- 2** If you have all of your documents, it only takes approximately 30 minutes, and you can do it online for FREE!
- 3** You might be eligible for federal grants, which you don't have to pay back!
- 4** The FAFSA is used to award some state based aid - like TOPS!
- 5** Even if you don't think you'll need a loan, it can't hurt to have a backup plan in place. If you do borrow, only borrow what you need. Loans must be paid back.
- 6** Work-study jobs are mostly on campus, and you become qualified to apply based on your FAFSA information.
