The NOCCA Foundation is NOCCA's non-profit support partner, providing supplemental funding for the Center's students, faculty and world-class programs. The Foundation raises funds through individual donations and grants. Initiatives we fund include the mental health clinician, broadband connectivity, professional development for faculty, Culinary Arts supplies, capital building projects for the campus, bringing up to 100 guest artists to the classroom each year, and the Student Success Program.

STUDENT SUCCESS PROGRAM

Student Success is the NOCCA Foundation's most fundamental program. Through three initiatives - Term-Time, Summer Study and Summer Intensive assistance - this program supports NOCCA students' dedication to excel as young artists and intellectuals.
